HOUSING & ENVIRONMENT PROGRAM

LEAKY FAUCET REPAIR

Presenters: Samuel W. Robertson, Extension Specialist
(202) 274-7165 – srobertson@udc.edu
Charles D. Brown, Extension Agent
(202) 274-7161 – cbrown@udc.edu
Lonnie Finley, Extension Agent
(202) 274-7162 – lfinley@udc.edu

Overview:

Participant will learn how to repair a cartridge or compression type faucet

Objectives:

- * How to repair leaks associated with a cartridge faucet
- * How to repair leaks associated with a compression faucet
- * What tools are needed for repairs

Potential Outcomes:

- * Participants will be able to repair a cartridge faucet
- * Participant will be able to repair a compression faucet
- * Participant will know what tools are needed
- * Participant will save money on the water bill

Impact:

- * Participant can save approximately \$ 95.00 per self-repair

In cooperation with the U.S. Department of Agriculture and District of Columbia Government, Cooperative Extension Service and Agricultural Experiment Station programs and employment opportunities are available to all people regardless of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, marital status or family status.
